

JANELLE HOLST

UX/UI Designer

ABOUT ME

I am a determined user experience designer with a passion to solve user problems. I am a team player and am always eager to grow and learn from those around me. In addition to multiple internship experiences and personal projects, I will be graduating with a bachelor's degree in graphic information technology this December.

EDUCATION

Bachelor of Science

2020 - Present - Arizona State University
Graphic Information Technology

- Primary Focus in User-centered design
